## **IMPORTANT - Conditions of Entry**

- Anyone who has entered or intends on entering the selection trials of another state or territory will be ineligible to compete in the ACT selection trials
- The Tournament Director must receive entries, by the close of the State Executive Committee Meeting on Monday 12 April 2010. NO entries will be accepted without the accompanying fees. The relevant entry fees MUST accompany entries: \$15 per player for 9 Ball, the Masters, the Under 21s, and the Open and Ladies/Ladies Doubles, \$30 per player for the Open and Ladies Singles.
- The format and dates for the selection trials have been based on an expected number of entries being received. The Tournament Director reserves the right to vary both the format and dates should this become necessary.
- Seeds will be taken strictly from the ACTEBA rankings as they stand prior to the commencement of the Summer Competition 2010. All groups (including seeds) are initially compiled from the rankings, then adjusted where possible for preferred day of play. No changes to the groups will be made once they are finalised and released.
- All entries are accepted under the provision that the entrant agrees to abide by all and any directions made by the Tournament Director and that their decisions will be final.
- Note that if you are selected to represent the ACT at the 2010 National titles you will be required to pay a deposit of \$300.00 within 2 weeks of notification of your selection. If you do not pay your deposit within 2 weeks your place will be offered to the next eligible player.
- The draws will be e-mailed to all competitors who have provided an email address, and will also be available on the ACTEBA website (acteba.com.au). Competitors will NOT be notified by phone. It is each player's responsibility to ensure they are aware of when and where they are playing. If you don't have email, then make sure **you** call the Tournament Director!
