What is the 'PLAY IT FORWARD' fund?

The 'Play it Forward' Fund is a way that we can give back to the 8 Ball Community by playing what we love, pool.

We need to be seen supporting the venues that support us. The outlay by venues to re-cloth tables is massive and this is our way that we can show our appreciation to the MARAM for opening the tables for Wednesday nights pool comps, State Team practices and when we run trials from March to July on weekends.

So for any teams who use the MARAM as a home venue, you can contribute to this by participating in 8 Ball comps being organised to raise money for the fund, and it is open to all other pool players. Hopefully we will have some re-clothed tables for the 2012 Summer Season.

The 'Play it Forward' money raised will go towards the repairs/maintenance and re-clothing of the tables at the MARAM. The venue will match us \$ for \$ in the cost of re-clothing the tables.
