Venue

TBC based on entry numbers, matches may be split across multiple venues week to week

Group Stages

- “Rundown Format” – higher ranked teams start on negative scores and must chase down the lower ranked team before the match clock runs out
- Each week teams will be divided into round-robin groups of 4
- Each night each team within a group will play each other team in the group
- Match clock will be in place, exact match clock time TBC
- Shorter shot clock will be in place – 30 seconds
- 1x 30 second extension per frame per player
- Matches will include a mixture of singles and doubles frames
- 5x bonus points for a match win
- 0x bonus points for a match draw or loss
- 1x point for each frame won above zero

Final Knockout

The top 4 teams from the group stage will play a single-elimination, random-draw knockout. All teams will play two matches to determine a final finishing order of 1st to 4th.
